

PE 10 CFL/Virtual/Spruce Grove Outreach - Activity Tracking Sheet

Use this tracking sheet to record activities that you do on your own or with a group. The description is vital in determining the outcomes you have demonstrated during the activity, so please provide a detailed account of what occurred. Improvement in outcomes is a necessary component as well, so please provide information that shows you were aware of improvement and/or how you altered the activity to ensure it was more challenging (lifted more weight/did more reps/ran further or for a greater duration/played against better competition etc.).
