

Spruce Grove Outreach/CFL/Virtual Physical Education 10 - Observation Sheet

Thank you for agreeing to support _____ in their progress through Physical Education 10. Your observation sheet will assist us in our assessment of the student in achieving the outcomes required for the course. Your time spent with the student and your understanding of the activity you are leading will provide insight into their progress. It is our hope that this observation sheet can be completed in a short amount of time, and will be fairly straightforward. If you have any questions, please feel free to email me at jmclean@psd70.ab.ca.

Thank you,

Jesse McLean - PE Teacher CFL/Virtual

Alternate Environment	Dance	Gymnastics	Individual Activities
<i>Students will adapt and improve activity specific skills in a variety of environments; e.g., camping, canoeing, survival skills. These include swimming, hiking, orienteering, camping, skiing, snowshoeing, rock climbing etc.</i>	<i>Students will apply the principles of dance to improve performance. Students will perform dance steps from a dance form or a number of dance forms. Student will show improvement in the dance skills through practice.</i>	<i>Students will apply the basic skills in combination with personal proficiency in a variety of gymnastic experiences individually, with a partner, or in a group; e.g., educational, rhythmic and artistic.</i>	<i>Students will adapt and improve activity specific skills in a variety of individual pursuits. These could include skills in a large number of individual activities including track and field, archery, bowling, golf, weight training/weight lifting, running, tennis, badminton etc.</i>

What Alternate Environment skills were required as part of the activity you led?
Was the student able to perform these skills?
Did you see improvement in their performance?

What Dance skills were required as part of the activity you led?

Was the student able to perform these skills?

Did you see improvement/refinement in their performance?

What Gymnastic skills were required as part of the activity you led?

Was the student able to perform these skills?

Did you see improvement/refinement in their performance?

What skills were required as part of the individual activity you led?

Was the student able to perform these skills?

Did you see improvement/refinement in their performance?
