You must not circulate this book in any other binding or cover
and you must impose this same condition on any acquirer.

The publisher has endeavoured to meet or exceed industry standards in the
manufacturing of this textbook. The spine and endpapers of this sewn book
have been reinforced for extra binding strength, and the cover material is a
premium polymer-reinforced material designed to provide long life and
withstand daily classroom use. The text pages have been printed on Forest
Stewardship Council certified paper, harvested from a responsibly managed
forest, which contains a minimum of 10% post-consumer waste.

Printed and bound in Canada.

When you see this icon on pages of this book, go to the Learn Alberta site (www.LearnAlberta.ca) and click on the *Perspectives on Ideology* learning object for fully interactive learning scenarios entitled ExCite (Exploring Citizenship). These scenarios enhance learning of concepts and issues in the student resource. Supportive of the curriculum’s four Related Issues, each scenario encourages critical thinking and analysis of issues related to ideology in the context of Canada and different countries around the world.
