

General Psychology 20 Final Project

Complete the following tasks and submit them to your teacher.

This project is worth 20% of your final mark in this course.

Part A:

Flip back through the course information and make a list of the 3 most interesting things you learned in this course.

For each interesting idea/item, write two or three sentences explaining why you found it interesting.

Value: 15 marks (5 marks x 3)

Part B:

From the list you created in Part A, choose the most interesting thing you learned in this course.

Do some background research on the topic/idea and synthesize your learning by completing one of the following activities:

Poster illustrating the concept

Series of Poems (minimum five)

3-dimensional sculpture

Crossword Puzzle

Brochure/Pamphlet

Cartoon/Comic Strip

Timeline

Photo Essay

Video

Mobile

Song Parody

Board Game

Graphic Organizer/Mind Map

Diorama

Storyboard

Series of Diary Entries (minimum five)

Letter to a prominent psychologist: Sigmund Freud, B. F. Skinner, Karl Jung, Ivan Pavlov, etc.

Power Point Presentation of the most interesting features

Value: 35 marks

Total: 50 marks
