

Module 5 | 3 of 3

Assignment

ASSIGNMENTS 5.3

Question 1 of 3 | 20 marks

Research 2 phones that would be of interest to you if you were looking to buy a phone today. Compare the features and cost to get a sense of the differences that can arise when trying to buy a phone/smartphone. Create a summary of the decisions you would make regarding the various features such as processor, storage space, display, warranty, etc. Briefly explain the decision you would make if you were in the market for a phone today.

Write answer here...

Question 2 of 3 | 15 marks

Select and compare two of the most popular phones on the market – e.g. Apple, Samsung, etc. Summarize the differences between the two that would be of interest to you in making a cell phone decision.

Write answer here...

Question 3 of 3 | 15 marks

Assume you are a parent and you were having to create a set of rules, or a guide sheet, on using a cell phone. Note what would you put on that list as a guide for your children?
